Dear Sirs,

Re: European Patent Application- Notice of Publication
Title: Vehicular Movement Electricity Converter
Embedded within a Road Hump
Application No.: 07827141.8
Applicant: INNOVATIVE PATENTS LTD.
Date of Entry: 20 March 2009
Our ref: 5424

We have received a notice of publication for the above mentioned application. The patent was published on 1 July 2009, and its no. is EP 2074326.

Please retain it as it contains important information relating to the publication date and number of the referenced application. Such information is beneficial for searching and retrieving the publication document.

Please note that the application will now be available via the internet (<http://ofi.epoline.org/>) and you may want to consider pulling down a copy of the published document for your reference if you so desire.

We shall keep you advised of further details with respect to this application.

Sincerely,

Dikla Diari

Dear Sirs,

Re: European Patent Application- Filing Confirmation
Title: Vehicular Movement Electricity Converter Embedded
within a Road Hump
Application No.: 07827141.8
Applicant: INNOVATIVE PATENTS LTD.
Inventor: CHEN Ron
Priority Filing Date 20 September 2006
International Filing 20 September 2007
Date:
Date of Entry: 20 March 2009
Our ref: 5424

We are pleased to inform you that the above-referenced patent application has been filed with the European Patent Office (EPO) on **20 March 2009** and has been accorded the following serial number **07827141.8**. Also be advised that a request for a examination has been submitted at the time of the filing of the application

Please note that the EPO requires yearly Annuity payments in order to keep the application in force. The first Annuity is to be paid by 30 September 2009 and we will need you kind instructions by **14 August 2009**

As soon as we receive the official filing receipt confirming the filing date and application's serial number, we shall forward it to you, and keep you advised for further developments.

Best regards,

Dikla Diari
